*Each parish/school should establish policies regarding the release of names, addresses, phone numbers and images of students, faculty, staff and school families. For inclusion in directories, brochures, websites or any other medium, permission needs to be obtained from the individual(s) involved, and in the case of minors, from their parent/guardian. General group pictures of students, staff, etc. without specific identification of individuals are not subject to this policy. All official pictures and recordings taken at events and activities of a parish/school by staff/volunteers remain the property of the parish/school.
