

Parent/Guardian Volunteer Requirement

The St. Dominic Athletic Association is a parish based volunteer organization run by the athlete's parents and other members of the parish that are interested in the sports programs. If your child is registered to play sports for St. Dominic, you are required to participate in manning the concession stand or the admissions area for each child you have enrolled in the program and for each sport they participate in. Your team manager will handle scheduling.

In addition to your required participation with concessions and/or admissions, your help is also required in additional areas. Please review the following list of positions and indicate your willingness to help.

Head Coach _____

Assistant Coach _____

Team Manager _____

Note: Coaching assignment will be made based upon the needs of the Athletic Association and may not reflect every applicant's wishes. If you wish to coach or assistant coach and have not previously completed a coach's application, you must do so prior to being considered for a coaching position. The head coach selects assistant coaches and team managers.

Please help out for any of the following:

Concessions Committee _____ **Uniform Distribution** _____

Uniform Coordinator _____ **Picture Day** _____

Athletic Awards Ceremony Committee _____ **Tournament Committee** _____

I/we agree to adhere to the policies outlined in the St. Dominic Athletic Handbook, the by-laws of the Association, and "Policies and Regulations for Athletics" published by the Archdiocese of Milwaukee. These documents are located on the St. Dominic website at <http://www.stdominic-brookfield.org/>

Thank you for supporting your child's development through your support of the St. Dominic Athletic Association.
