Please take a few minutes to review the new by-laws and let one of your Home and School representatives know if you have any questions.

Did you know...The TMJ4 Weather Show with John Malan is rescheduled for Tuesday, February 7, in the PAAC from 1 to 2 pm. The 3rd, 4th, and 5th grade students will learn a little about the science of meteorology, especially broadcast meteorology. Mr. Malan will also show how weather is forecast by the Weather Plus meteorologists and give the students the opportunity to see the weather and studio facilities. The presentation will also explain different types of weather phenomena including the tornado. This is sure to be an action packed hour of weather trivia.

Colder Weather - Just a reminder as the colder weather is now here, please be sure that your child is dressed appropriately. The students are expected to come to school with warm clothing for playing outside during the winter. This also means suitable clothing for playing in the snow. **Any students playing in the snow must have boots and snowpants.**

deeds!

St. Dominic “PRIDE” –This week our students celebrated Catholic Schools’ Week by writing essays about why they like attending St. Dominic School. Today I’d like to share with you three of the essays:

“Why I like Attending St. Dominic School” By Michael Sohn
(Michael is a fourth grade student in Mrs. McCormack’s Room)

There are many reasons why I like attending one of the greatest schools ever, St. Dominic’s. Here are just a few of the reasons.

First, we have excellent teachers, staff and a great principal. My teachers are always encouraging me to do my best and that makes me very happy. Our staff does such a good job making food and cleaning up. Also our principal does a great job making St. Dominic’s one of four Exemplary Schools in the Archdiocese (in 2010) and a smart, caring school.

Next, I love that we’re Catholic. Our school does a great job enforcing religion by letting us host some Masses. Fr. Sean and Father Dave are some of the best priests I’ll ever know.

Finally, we get a great education. They teach us important things in Math, Science, Social Studies, Reading, etc., but the most important thing, they prepare us for life.

I’ve just told you a few of the great things that make St. Dominic School one of only four Exemplary Schools in 2010. I love it here!!!!!!!!!!!!!!!!!!!!

“Why I like Attending St. Dominic School” By Clare Bacciocco
(Clare is a fourth grade student in Mrs. McCormack’s Room)

I like attending St. Dominic School because I have very nice teachers. They are very supportive, kind and encouraging. They always encourage you to do your best and they help you along the way.

Another reason I like St. Dominic School is that we have All-school Masses. I think that having All-school Masses is an excellent way to show our faith in God. It will help us become closer to God.

I also like the way the teachers teach the subjects. I think that it is excellent the way they do it. It lets everyone get on the same page. Once we read out of the textbook, we get some time to work on homework. I think that is great.

I also like that there are lots of after-school programs such as Lego Club, Choir, Acting Classes, and Forensics. There are also school programs like Strings and Band. I like that St. Dominic’s has lots of choices.

The best part is all the nice people and good friends. My friends are always nice and helpful. The staff is also really nice and I think Mr. Chovanec is the best principal ever. That is why I like St. Dominic School. It is the best school ever.

“Why I like Attending St. Dominic School” By Rebecca Skelton
(Rebecca is a first grade student in Mrs. Thomas’s Room)

I like to go to St. Dominic School because we get to read lots of books like chapter books. We meet new friends every day. I learn about God and the Saints. We have fun.

These essays by St. Dominic School students are wonderful examples of how our students feel about their school. Thank you for providing the opportunity for your children to attend St. Dominic School. It is the most important investment that you can make for your child. As Scripture states: *“Train up a child in the way he should go, even when he is old he will not depart from it.”* Proverbs 22:6

Thank you for your continued support of St. Dominic School.

Sincerely,

John Chovanec, Principal
St. Dominic School
