

4th and 5th Grade Forensics

FORENSICS IS ACTING.
FORENSICS IS PROSE.
FORENSICS IS POETRY.
FORENSICS IS...FUN!

FORENSICS IS YOUR STYLE OF PUBLIC SPEAKING!

Forensics gives students an opportunity to develop speaking skills in a fun and supportive atmosphere. Please join us to learn more about the program at the **St. Dominic's Forensics Parent Information Night at 6:30 on Wednesday, November 9** in the **Library**.

Our 4th and 5th grade program is an entry level program designed to give students a taste of performing for an audience and judges. Students will choose and prepare their pieces in November and December. (Most students at this level enjoy prose, poetry, group acting, or storytelling.) In January there will be two practice sessions with coaches. On **January 26 at 6:30PM** there will be a **Presentation Festival** for students and guests. Judges will be present and will provide written feedback and ribbons.

St. Dominic's Forensics is a parent-driven program, and therefore we need parental assistance. Please consider sharing in your child's experience by volunteering to help.

The participation fee is \$20. This fee covers Forensic expenses and the end of the season Festival in January. Please complete the form below and return it with the **\$20 fee** (made out to St. Dominic's) **by November 16**.

Please feel free to contact Jane Pittman at 262-246-3145 or davidmichaelpittman@yahoo.com if you have any questions.
