

St. Dominic Home & School Association

Home & School Newsletter

Dear St. Dominic Parents,

Welcome to another exciting school year! We would like to offer a special welcome to all the new families. Your Home and School Association is dedicated to providing enriching programs that promote spiritual, social and academic growth - not to mention fun!

A few examples of the programs provided by your Home and School Association include: Accelerated Reader, Fall Open House, Santa's Secret Workshop, Trip to Holy Hill, High Interest Day, Health Education Programs, Cultural Events and Family Fun Night.

In addition to the exciting enrichment programs for our students, H&S provides funding for numerous classroom items and educational tools.

We look forward to doing even more to enhance our children's experience at St. Dominic School. Please look to the Calendar of Events for a sneak peek at what is planned for this school year. Contact any Home and School Officer if you have any questions or if you would like to volunteer.

We would also like to invite you to attend the monthly Home and School meetings the second Tuesday of each month. If you are unable to make the meetings there is a Suggestion Box at the school entrance for any input or ideas you may have for Home & School.

Thank you for all you do to support our school - and remember to Get Involved!

Teacher Appreciation Committee Needs You!

The Teacher Appreciation Committee is an important one. Our teachers work very hard with our children to help them achieve academic excellence in a faith-filled environment. As a committee, we would like to thank them for their commitment and show them that they are appreciated.

The Committee is responsible for planning luncheons and/or dinners for the faculty and staff throughout the school year.

The Committee also provides regular treats for the Teacher/Staff Lounge.

Please look for the sign up sheet in the Friday Folder. Thank you for your help, it is much appreciated!

Campbell's

Hello! My name is Kelly Lagore and I am the chair for the Labels for Education program. I am attaching a list of products (it's not just Campbell's soup labels anymore!) that participate in this program. The new products for this year include **Pace, Dannon, Glad food storage, and Emerald nuts**. Please print out this convenient list and tape it in your pantry. Then start clipping the UPCs. There is a drop off box just outside the front office. For those of you who are super-organized, I am also including a pdf file for collection sheets that you can print and on which you can glue your UPCs. It makes it easy to count the points and it also gives us a bonus square. There are sheets for 1 point UPCs, 5 point UPCs and 10 point UPCs. Please take advantage of this easy way to organize the UPCs!!! These can also be found on the Labels for Education website, which is www.labelsforeducation.com.

If you ever want to help clip and count UPCs, please let me know. We can always use more help!! My e-mail address is klagore@yahoo.com. Last year we earned almost 17,000 points. We can earn a bonus just be earning 10% or 20% more than last year. So tape that list to your pantry and start clipping!

Help our school while shopping at Target!

We've discovered a terrific way to raise funds for our school. It's super-easy, and all you have to do is use your Target Credit Card®, Target Debit Card® or Target® Visa® Credit Card. **We will receive a percentage of the amount of each purchase in the form of an annual check from Target through the Take Charge of Education® program.**

To designate our school, just visit target.com/tcoe, or call 1-800-316-6142.

If you're not already taking part, please consider doing so - grandparents, alumni, friends and neighbors can help, too. You can apply for the Target Credit Card® or Target Debit Card® in a Target store.

You Can Make a Difference for Our School with Box Tops!

St. Dominic Families,
The Box Tops for Education Program gives our school community the chance to earn cash for our Home & School Association every time you shop for groceries. Clip Box Tops from hundreds of your favorite products. Each Box Tops coupon is worth 10¢ for our school – and that adds up fast!

We will have several Collection Contests throughout the school year. Each grade will be asked to collect their Box Tops for a chance to win a treat for their entire grade. If each student collects 15 Box Tops a week we can reach our goal! You have to clip to win! Ask your grandparents and neighbors to help you collect!!
