February 2012

LABELS FOR EDUCATION UPDATE

I just wanted to let everyone know that there are Pepperidge Farm boxes of Goldfish (11 oz size) with 100 point bonus coupons on them. So, next time you are in the snack aisle at the grocery store, please pick up a box or two of these! They will only be available for a limited time. One hundred points can go a long way!! We currently have 10,197 points so far this year. We added a 250 point bonus for "liking" Labels for Education on Facebook just the other day. If we collect 6292 more points from 1, 5 or 10 point labels (100 points not eligible for this promotion), they will give us an additional 20% in points at the end of the school year. So there are lots of easy ways to really grow our point total. Please help if you can!!
